Composed with Virginias, burley, black Cavendish & Izmir Oriental. You can taste the individual leaves in this blend and they work harmoniously with the casing. The Virginias and Black Cavendish give their natural sweetness to support the almond flavour and the Burley's natural nuttiness embraces the amaretto. Together, it is a well rounded and perfectly balanced smoke that would make a fabulous evening starter. The tin aroma is sweet, almond in nature and enticing. You can smell the tobacco flavours coming through, with the Virginia ever so slightly grassy and the Cavendish offering fruit.
